About Me

Hey, I am Maya a UX UI **Designer**.
Graduated from **Shenkar** College of Engineering and Design, Israel.

Every project is an opportunity for a new adventure. It starts with exploring the existing products and their environment, while keeping in mind the fundamentals of **human desires** and needs.
I am an **autodidact**, diligent, and highly motivated person.
My goal is to create designs that are **simple** yet **dazzling**, I am driven by my **passion to tackle new challenges** to create something **magnificent.**

Education

2019-2020
Advanced UI UX Design, by Sagi Shrieber at **6B Studio** .
Skills acquired product design for apps and websites, research methods, design sprints, and personas.

2015-2019
B.des Degree in Industrial Design at **Shenkar College** of Engineering and Design, Israel.

Collaborations

January 2018
Collaboration with **Triennale di Milano Museum**. Presented in "999: A Collection of Questions about Contemporary Living" exhibition. 3nd year B.A, Shenkar College.

January 2018
Collaboration with '**MOTOROLA SOLUTIONS**' company. 3nd year B.A, Shenkar College.

July 2018
Collaboration with '**AHAVA**' company. 3nd year B.A, Shenkar College.

Experience

2020 Freelancer
Turning a concept into a creative, beautiful design.
Develop strong **branding**, **UX UI processes** wireframing, user flows, persona, etc.

2014-2018 Security selector
For the Israeli Airport Authorities. The job included: working in teams, operating complex security processes within short time windows.

Military Service

2010-2012
Classification Approval Investigator in Israeli Intelligence Corps.
